X. Open Discussion

Can we accomplish what the Resolutions Committee does, by spreading out the work throughout the year?

Pro:

1. Respond more quickly when issues arise.
2. More involvement of the councils
3. Little response from those who receive the resolutions or who read them online
4. Money saved is significant
5. Few people (relatively) come to the Business Meeting to respond

Con:

1. One of the most effective means of leadership development
2. Many current board members first served on the Resolutions Committee
3. Would we respond to issues during the year if a specific time were not set up to do so

XI. Adjourn until Sunday morning. Dinner meeting for Council Presidents' meeting. Election of President of Presidents
